Essential Everyday Protections

Chubb Cyber Stack zeroes in on the most pressing concerns of small businesses, addressing issues such as employee errors, weak credentialing, and software vulnerabilities with a high probability of exploitation. Businesses can choose any or all of the following complimentary offerings, providing potential cost savings of up to \$28,000:

- **Attack Surface Management*** — Gain insights into the perspective of cybercriminals on your network, allowing you to detect and resolve vulnerabilities and misconfigurations proactively.
- **Continuous Vulnerability Scanning*** — Chubb's Cyber Threat Intelligence Team continually monitors, scans, and identifies actively exploited threats, enabling you to promptly respond and ensuring the ongoing security and protection of your network.
- **Vulnerability Security Alerts*** — Biweekly email notifications with information on critical vulnerabilities relevant to software you use so you can act to prevent incidents.
- **Cyber Awareness Training²** — Online courses arm employees with practical, actionable insights to spot and stop cyber threats like phishing.
- **Password Management²** — Simplifies management of all passwords, while reducing recycled passwords and strengthening employee credentialing practices.
- **Incident Response*** — Plan your cyber incident response plan and readiness with guided templates to master a proper response when an incident occurs.

1. Terms and conditions are subject to change. The complimentary cost is a one-year period and is applicable only to policyholders who are net new subscribers/customers to the respective services. Furthermore, eligible policyholders must meet the size limitation of having 100 employees or less to qualify for select services. Review specific terms and conditions of each service provider to ensure eligibility and to stay updated on any changes that may occur. Average savings based on countrywide survey of participating vendors from 6/15/24 to 7/15/24 who reported pricing for their services without cyber insurance in place. Savings comparison does not apply in MA.

2. Businesses are entitled to receive complimentary cyber services for one full year. After the complimentary year, businesses are eligible to continue the cyber services at a 25% discount upon renewal.

* Please note that cyber services remain complimentary throughout the duration of the Chubb Cyber policy.
