Chubb loss control services are intended solely to assist the insurer in underwriting and loss control and are not to be construed as an added benefit for the insured. The services are advisory in nature and are offered as a resource to be used together with your professional IT and insurance advisors in maintaining a cyber loss prevention program. These services are not intended as a substitute for consultation with your insurance broker, or for professional IT, legal, engineering or other professional advice. Chubb hereby disclaims any liability for the accuracy, completeness or applicability of the loss control information provided and disclaims any obligation to oversee or monitor any systems or insured's adherence to any guidance or practices.

The services referenced are provided by a third-party vendor not affiliated with Chubb. The fact that offers and potential discounts may be made available by the third-party vendor is not an indication that insurance coverage is available under any Chubb policy for any particular incident. Discounts on products and services offered by this vendor are available only to Chubb policyholders with current in-force policies and are subject to applicable insurance laws. For products and services provided, the policyholder and third-party vendor would enter into a vendor relationship directly. Chubb will not be involved in the policyholder's decision to purchase services and has no responsibility for services that may be provided.
